We understand that puppies are sold on a limited(non-breeding) AKC registration(unless other arrangements have been made). Once our application is approved, we will be notified when we are added to the waiting list. We understand that once a pregnancy is confirmed for a litter we are in line to get a puppy from, that we will be notified. We also understand that visiting is required prior to picking up a puppy and that a puppy will not placed with us unless we visit. We understand that a visit prior to the litter being born and at least one visit while a litter is on the ground improves our chances of being placed on the waiting list. Puppy visit are required when the puppies are 4-5 weeks old and puppy placement decisions are made once aptitude testing is completed(which occurs when the puppies are about 7 ½ to 8 weeks old). All deposits will all be applied to the final cost of the puppy. We also understand that we will be required to make a \$500.00 nonrefundable deposit once the puppies are 4 weeks old.

We understand that the final step in the application process is a visit before the puppies are 6 weeks old and that a puppy will not be placed with us until we visit Neverland Tollers.

The deposit should be made out to Wendy Hooke and mailed or delivered to us at the following address. Wendy & Peter Hooke,
502 Hudson Hill Rd
